The HTA were back at Wardhall for tonight's meeting but only one of Saturday's winners was able to repeat the feat.

That came in the open restricted with Release the Beat repeating his previous success, although that had come in an open maidens trail.

Brian and Joy Lister's charge finished strongly again to beat Kinniside Jack and Kinniside Dan. The winning team is pictured alongside.

Miterdale Shadow had been an easy winner on Saturday but this time could only manage fifth place in the senior trail which went to Carol Clough's Best Mate. Prominent throughout the trail he finished really well to beat Babycham by a couple of lengths.

Silver Mist had led home Dearham kennel-mate Silver Dancer in the earlier meeting but this time the red ticket went to Silver Dancer and Silver Mist had to settle for third with Wait and See splitting them. Dancer had a couple of lengths to spare.

Darren McMaster is pictured with Silver Dancer while Caroline Clough is with the senior winner Best Mate.
